Administrative Information

Acquisition Information

Most of the material in this collection consists of material from two accessions. Accession 61.1 contains objects, photos, and archival material relating to the 1st Volunteer Cavalry Regiment and Theodore Roosevelt. All materials in this accession were held by the Roosevelt's Rough Riders Association and cared for by Ozella Todhunter. The original owner of the article is preserved in the catalog record, when known. The Association loaned the collection to the City of Las Vegas for a period of two years, then transferred ownership of the collection to the City in 1961 to be held as a public memorial. Only documentary records of 61.1 are contained in this archive collection.

Ozella Todhunter donated Accession 66.27 to the museum. Materials in 66.27 relate mostly to the reunions and personal correspondence between members of the regiment. The documents in these two accessions, along with items in accessions from other donors have been combined into the Rough Rider Archive because of the similarity of subject, ownership and content. For each item, distinct accession and original ownership information is maintained in the catalog record.

Items housed under personal correspondence include the following:

- o several first person accounts of the military actions during the Cuban Campaign of 1898
- o pension correspondence and separation reports

The archive contains general information about the 1st Volunteer Cavalry Regiment (not attributable to a particular person) and other campaigns and aspects of the Spanish-American War. There is material relating to the formation of the City of Las Vegas Museum and material relating to the formation of a national memorial. A series of the archive is dedicated to persons professing to have been a member of the 1st Volunteer Cavalry Regiment, but whose claims cannot be substantiated.

Biographical Note

Ozella Todhunter was born in Nebraska in 1902. In 1925, she moved to Las Vegas, NM. She married widower Edward H. Todhunter the same year. Edward had enlisted in 1898 in the 1st Volunteer Cavalry Regiment under the name of William J. Love. From 1925 until her death in 1971, Ozella Todhunter resided in Las Vegas, NM.

After her marriage to Edward Todhunter, Ozella became interested in perpetuating the memory of the Rough Riders and their service in the Spanish-American War. She became more involved in the planning and execution of the reunions during the 1950s, serving as assistant secretary to the Association.

Ms. Todhunter was entrusted by Roosevelt's Rough Riders Association with the care and display of the Rough Rider Collection. Ozella continued as custodian (curator) of the collection after the Association loaned, then deeded the collection to the City of Las Vegas.
